7 m

Just 5 × 7 metres of covered service area will give you around 48 profit-earning covers.

- 1 Atmospheric gourmet experience outdoors: **PERGOLINO** terrace awnings with up to 6 metre projection.
- 2 **BAVONA TP6500** hardtop is a weather protection system, based as a bio-climatic roofing with variable inclination aluminum slats.
- 3 Free-standing **MELANO** weather-protection island in cubic design with folding awning. Perfectly-integrated convenience options, such as sliding glazing and vertical shading also protect against wind, rain, low-lying sun and unwanted attention. LED lighting ensures carefree hours in the evening.
- 4 **RESOBOX** – shade in large dimensions from the attractive aluminium box. Effectively protects fabrics and folding arms from the influences of weather.
- 5 Set new standards: Large area **JUMBO** sun curtain with telescopic arms for up to 90 m² of shade.
- 6 Whether individually or combined for larger areas in outdoor gastronomy: Our multifunctional STOBAG terrace roof **RIVERA** offers up to 350 m² of reliable sun and weather protection comfort.
- 7 The motor-driven **VENTOSOL VS5200/VS6200** is suitable for vertical shading of large areas and can also be retrofitted for various outdoor solutions.
- 8 As an option to many STOBAG product solutions, the **VENTOSOL VM720/3** is an outstanding side shading.
